TEN MINUTE ACTIONS:

REIN IN ICE - Congress has to pass an appropriations bill by January 30 to keep the Department of Homeland Security funded, which means Dems have a lot of leverage to include provisions that rein in ICE and freeze its budget. Call your senators now and demand they use the appropriations bill to protect our communities from ICE. [LINK](#)

ACT TO LOWER HEALTHCARE COSTS - Healthcare insurance premiums are doubling for more than 22 million Americans, and up to six-million people have already, or will soon, lose coverage because Republicans made Affordable Care Act tax credits expire on December 31st. The House, with the help of a handful of Republicans, forced a successful vote on restoring the tax credits - now the Senate must act before it's too late. [LINK](#)

SAVE POTTSTOWN HOSPITAL - SIGN THE PETITION

For decades, our community has relied on Pottstown Hospital’s dedicated nurses, doctors, and caregivers for timely, life-saving care. But Tower Health has plans to cut that lifeline. They are, right this very minute: Shutting down Critical Care and the Cancer Center, Eliminating higher-level inpatient surgery, Cutting a Med-Surg unit and the float team and Laying off 70 experienced direct-care nurses. The community of Pottstown needs more. Our community deserves better. [SIGN THE PETITION](#)
